

Rolex Watch Servicing - FAQs

Q: How often do I need to service a Rolex?

A: Rolex recommends servicing your watch approximately every 10 years, depending on the model and real-life usage.

Q: What is the Rolex Service Card?

A: After a full service by a Rolex Authorized Service Center, your watch is returned with a Rolex Service Card.

This card confirms that the watch was serviced according to Rolex's standards and carries an international two-year guarantee.
